

UPL DEVELOPMENTS LIMITED

ANNUAL REPORT

FOR THE YEAR ENDED 30 JUNE 2021

Central Park on Copeland - Townhouses): Location Ron Deal Way, Epuni

CHAIR'S REPORT

I am pleased to report on the performance of UPL Developments Limited (UPLDL) for the 2020/2021 year. This report is on behalf of Brian Walshe who was Chair for the 2020/2021 financial year.

UPLDL continued to act as the General Partner providing property development management services for UPL Limited Partnership (UPLLP).

During 2020/2021, UPLDL as General Partner, supported the Limited Partnership in the development, project management and construction of residential townhouses at two scale projects – one in Epuni and the other in Waterloo.

Thirty-one (31) two- and three-bedroom townhouses were completed and settled within the year at Central Park on Copeland (Epuni), with only three townhouses left for completion. The second scale project, The Lane – Waterloo, also saw five settlements completed, with a further eleven receiving Code of Compliance certification right on yearend. The remaining twenty two settlements at The Lane will fall into the 2021/2022 financial year.

Sales of both projects were extremely positive with 100% unconditionally sold prior to construction commencing (totalling 34 townhouses at Central Park and 27 townhouses at The Lane). It is satisfying to see that several 'first home buyers' and young families purchased these properties, and that scale medium-density housing is welcomed in Lower Hutt. Feedback from purchasers has been very positive and reflects our focus on providing quality designed and built homes.

The Board and Management of UPLDL successfully fulfilled their General Partner obligations during the year providing the following management services:

- 1.1 Keeping proper books of account and records for UPLDL and UPLLP in accordance with Accounting Standards.
- 1.2 Tendering, negotiating and executing on behalf of the Partnership, contracts for the Central Park and The Lane developments, along with employing subcontractors to assist with construction.
- 1.3 Implementation of all systems and processes relating to COVID-19 for on-site management to ensure safety and wellbeing of all ,along with adherence in respect to all matters pertaining to Health and Safety Regulations.
- 1.4 Facilitating the payment of contract progress claims, and payments to other suppliers engaged to provide services or goods to Central Park and The Lane developments.
- 1.5 Organising UPLDL and UPLLP monthly board meetings, including preparation of agendas and management reports, and recording of meeting minutes.

Financial Performance

In accordance with budget UPLDL reflected a nil result for the 2020/2021 financial year on revenues of \$155,847 and expenses of \$155,847.

AUDIT NEW ZEALAND

Mana Arotake Aotearoa

Independent Auditor's Report

To the readers of UPL Developments Limited's financial statements and performance information for the year ended 30 June 2021

The Auditor-General is the auditor of UPL Developments Limited (the company). The Auditor-General has appointed me, Andrew Clark, using the staff and resources of Audit New Zealand, to carry out the audit of the financial statements and performance information of the company on his behalf.

Opinion

We have audited:

- the financial statements of the company on pages 11 to 19, that comprise the statement of financial position as at 30 June 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information; and
- the performance information of the company on page 5.

In our opinion:

- the financial statements of the company on pages 11 to 19:
 - present fairly, in all material respects:
 - its financial position as at 30 June 2021; and
 - its financial performance and cash flows for the year then ended; and
 - comply with generally accepted accounting practice in New Zealand in accordance with New Zealand equivalents to International Financial Reporting Standards Reduced Disclosure Regime; and
- the performance information of the company on page 5 presents fairly, in all material respects, the company's actual performance compared against the performance targets and other measures by which performance was judged in relation to the company's objectives for the year ended 30 June 2021.

Our audit was completed on 30 November 2021. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Board of Directors and our responsibilities relating to the financial statements and the performance information, we comment on other information, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors for the financial statements and the performance information

The Board of Directors is responsible on behalf of the company for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand. The Board of Directors is also responsible for preparing the performance information for the company.

The Board of Directors is responsible for such internal control as it determines is necessary to enable it to prepare financial statements and performance information that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements and the performance information, the Board of Directors is responsible on behalf of the company for assessing the company's ability to continue as a going concern. The Board of Directors is also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Board of Directors intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors' responsibilities arise from the Local Government Act 2002.

Responsibilities of the auditor for the audit of the financial statements and the performance information

Our objectives are to obtain reasonable assurance about whether the financial statements and the performance information, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures,

and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of readers, taken on the basis of these financial statements and the performance information.

For the budget information reported in the financial statements and the performance information, our procedures were limited to checking that the information agreed to the company's statement of intent.

We did not evaluate the security and controls over the electronic publication of the financial statements and the performance information.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risks of material misstatement of the financial statements and the performance information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- We evaluate the appropriateness of the reported performance information within the company's framework for reporting its performance.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Board of Directors and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the financial statements and the performance information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the financial statements and the performance information, including the disclosures, and whether the financial statements and the performance information represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001.

Other information

The Board of Directors is responsible for the other information. The other information comprises the information included on pages 2 to 19, but does not include the financial statements and the performance information, and our auditor's report thereon.

Our opinion on the financial statements and the performance information does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements and the performance information, our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the financial statements and the performance information or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independence

We are independent of the company in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1: International Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board.

Other than the audit, we have no relationship with, or interests in, the company.

NOTES TO THE FINANCIAL STATEMENTS

1. Statement of Accounting Policies

REPORTING ENTITY

UPL Developments Limited (the "Company") is a 100 percent owned council controlled organisation of Urban Plus Limited (UPL). The Company was incorporated on 19 December 2016 as Fairfield Waters Limited and changed its name to UPL Developments Limited on 20 April 2018.

The primary objective of the Company is to act as General Partner for UPL Limited Partnership (formally Fairfield Limited Partnership) through managing the day to day business activities of UPL Limited Partnership.

The Company has designated itself a for profit entity for financial reporting purposes.

The financial statements of the Company are for the year ended 30 June 2021. The financial statements were authorised for issue by the Board of Directors on 30 November 2021.

BASIS OF PREPARATION

Statement of compliance

The financial statements have been prepared on a going concern basis.

The accounting policies have been applied consistently throughout the period.

These financial statements have been prepared in accordance with the requirements of the Local Government Act 2002, which includes the requirement to comply with generally accepted accounting practice in New Zealand (NZ GAAP). They comply with NZ International Financial Reporting Standards Reduced Disclosure Regime, as appropriate for a profit oriented entity. The Company is not considered large for the purposes of determining the appropriate reporting tier and has opted to report as a Tier 2 entity applying NZIFRS with Reduced Disclosure Requirements.

Measurement base

The financial statements have been prepared on a historical cost basis.

The financial statements are presented in New Zealand dollars. The functional currency is New Zealand dollars. The Company has not entered into any foreign currency transactions.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Debtors and other receivables

Debtors and other receivables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment.

Revenue

Revenue is measured at the fair value of consideration received.

Revenue from the rendering of services is recognised by reference to the stage of completion of the transaction at balance date, based on the actual service provided as a percentage of the total services to be provided.

Interest income is recognised using the effective interest method.

Goods and services tax

All items in the financial statements are stated exclusive of GST, except for receivables and payables. Where GST is not recoverable as input tax then it is recognised as part of the related asset or expense.

The net amount of GST recoverable from, or payable to, the Inland Revenue Department (IRD) is included as part of receivables or payables in the Statement of Financial Position.

Commitments and contingencies are disclosed exclusive of GST.

Creditors and other payables

Creditors and other payables are initially measured at fair value and subsequently measured at amortised cost using the effective interest method.

Budget figures

The budget figures are those approved by the Board at the beginning of the year. The budget figures have been prepared in accordance with Tier 2 standards, using accounting policies that are consistent with those adopted by the Board for the preparation of the financial statements.

Critical accounting estimates and assumptions

In preparing these financial statements, the Company has made estimates and assumptions concerning the future. These estimates and assumptions may differ from the subsequent actual results. Estimates and assumptions are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the reporting period in which the revision is made and in any future periods that will be affected by those provisions. There have been no critical judgements made.

2. Taxation

Accounting policy

Income tax expense includes components relating to both current tax and deferred tax.

Current tax is the amount of income tax payable based on the taxable profit for the current year, and any adjustments to income tax payable in respect of prior years. Current tax is calculated using tax rates (and tax laws) that have been enacted or substantively enacted at balance date.

Deferred tax is the amount of income tax payable or recoverable in future periods in respect of temporary differences and unused tax losses. Temporary differences are differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is measured at tax rates that are expected to apply when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted at balance date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the entity expects to recover or settle the carrying amount of its assets and liabilities.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences or tax losses can be utilised. Deferred tax is not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition of an asset or liability in a transaction that is not a business combination, and at the time of the transaction, affects neither accounting profit nor taxable profit.

Current and deferred tax is recognised against the profit or loss for the period, except to the extent that it relates to a business combination, or to transactions recognised in other comprehensive income or directly in equity.

3. Remuneration

Key management personnel consist of the Board members. Board members receive no remuneration.

Due to the difficulty in determining the full-time equivalent for Board members, the full-time equivalent figure is taken as the number of Board members.

Board Members	2021	2020
B Walshe, Chair	1.00	1.00

4. Related Party Disclosures

The following table provides the total amount of transactions that have been entered into with related parties for the relevant financial year:

	2021	2020
Sales and purchases of goods and services		
Recovery of management fee from the Limited Partnership	155,846	180,765
Payment of management fee to Urban Plus Limited	133,875	172,862
Payment of interest to Urban Plus Limited	53	46

The following balances are outstanding at the end of the reporting period in relation to transactions with related parties:

	2021	2020
<i>Current payables (purchase of goods and services)</i> Hutt City Council	-	-
<i>Current receivables</i> UPL Limited Partnership	12,551	4,138

5. Categories of financial instruments

Accounting Policy

UPL Developments Limited is party to financial instrument arrangements as part of its normal operations. Revenue and expenses in relation to all financial instruments are recognised in the Statement of Comprehensive Income.

All financial instruments are recognised in the Statement of Financial Position on the basis of UPL's accounting policies. All financial instruments disclosed on the Statement of Financial Position are recorded at amortised cost.

	2021	2020
Financial assets		
Financial assets at amortised cost		
Cash & cash equivalents	4,608	470
Debtors and other receivables	12,551	4,138

Other liabilities	-	-
Trade and other payables	17,159	4,608
Total financial liabilities	17,159	4,608

6. Capital commitments

CAPITAL COMMITMENTS

The Company had no capital commitments as at 30 June 2021 (2020: nil).

7. Contingent liabilities and assets

CONTINGENT ASSETS As at 30 June 2021 the Company had no contingent assets (2020: nil).

CONTINGENT LIABILITIES As at 30 June 2021 the Company had no contingent liabilities (2020: nil).

8. Explanation of major variances against budget

Revenue of \$155,847 comprised the recovery of management fees from the Limited Partnership. Expenses of \$155,847 relate to the payment of management fees to UPL (parent) and professional fees for audit services and tax support. Both were below budget by \$25,432 due to the costs requiring recovery from the Limited Partnership being less than anticipated.

The cash balance at year end is sufficient given the nature of the entity, which is to manage the day to day activities of UPL and the Limited Partnership.

9. Events after balance date

There have been no significant events since balance date.

10. Impact of COVID-19

The COVID-19 pandemic had no impact on the operations of UPL DL. UPL DL operations are minimal and predominantly involve other members of the UPL Group so are considered to be unaffected.
